GEAR UP FOR YOUR JOURNEY!

The Gear Garage program is a benefit for all etrailer teammates; we find joy in the journey. No matter the adventure, we've got gear to get you out there doing the things.

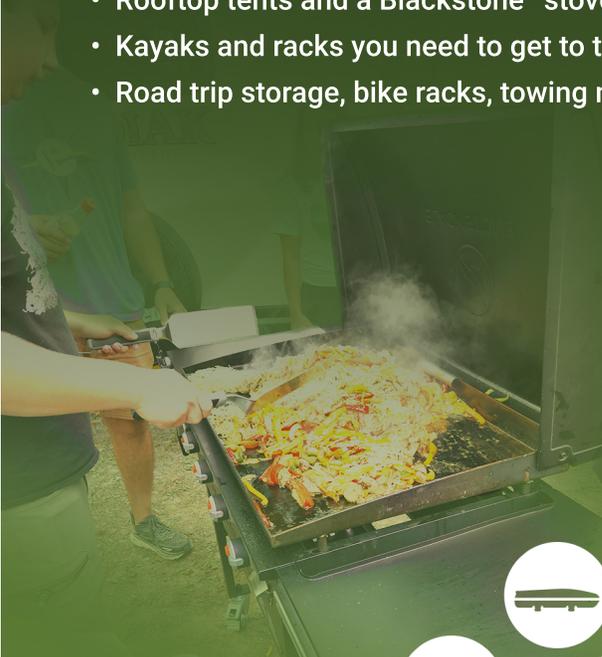

Borrowing stuff is easy!

1. Scan the QR code and click "Start Now"
2. Select your stuff! - Browse the catalog or select "help me pick something out" to find your best solution
3. Enter the dates you need the item(s), when you'll pick them up, and when you'll return them
4. Submit!

You'll receive a follow-up email from the team to confirm your details and item availability. We'll even help you install it! We only ask that you share your experiences with us!

Ready for adventure? You can borrow gear including:

- Rooftop tents and a Blackstone® stove for your next camping trip
- Kayaks and racks you need to get to the water
- Road trip storage, bike racks, towing mirrors and more!
